Acknowledgements

Words cannot express the feeling in our hearts and thank. You seems so inadequate for all of the kindness that has been bestowed upon our family. Thank you for the encouraging visits, the comforting calls, the lovely cards, the beautiful flowers and the sincere words of solace. We are finding strength in knowing that earth has no sorrow that heaven cannot heal.

To Our Dad

Goodbye Dad, We had to say
A few days ago on a warm summer day
We'll remember the good times and try not to be sad But saying goodbye still
hurts so bad
We miss you more then we can express

My love for you will never grow less
We **will** keep trying to imagine how I will go on
We realize tomorrow is another dawn
knowing you're in heaven above
Looking down on us with all your love
Only to whisper in our ear

Remember that we'll never stopped loving you
We'll always remember the good times we had
Remember the man, my wonderful Dad
We'll remember you each and every day
And if I need to talk to you, I'll just sit down and pray

One day we'll be together again
To talk about all the places we been
Until the time We'll always treasure
Having you for a Dad was such a great pleasure.

Children and Grandchildren

I'm Free

Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his when I heard his call,
I turned my back and left it all.

I could not stay another day,
To laugh, to love, to work, to play.
Tasks left undone must stay that way,
I've found that peace at the close of the day.
If my parting has left a void,
Then fill it with remembered joy.

A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.

My Life's been full, I savored much,
Good friends, good times, a loved one's touch,
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.
