When I Leave

When I must leave you
for a little while

Please do not grieve and shed wild tears
And hug your sorrow to you
through the years

But start out bravely with a gallant smile: And
for my sake and in my name

live on and do all things the same,
Feed not your loneliness on empty days,

But fill each waking hour
in useful ways,

Reach out your hand
in comfort and in cheer
and I in turn will comfort you
and hold you near:

And never, never be afraid to die.
For I am waiting for you in the sky!
