A Virtuous Woman

Proverbs 31:10-12 KJV

[10] Who can find a virtuous woman?
for her price is far above rubies. [11] The
heart of her husband doth safely trust in
her, so that he shall have no need of
spoil. [12] She will do him good and not
evil all the days of her life.

“The Last Battle”

If it be I grow frail and weak
and pain should wake me from my sleep,
Then you must do what must be done,
for this - last battle - can't be won.

You will be sad, I understand,
Don't let you grief then stay your hand.

For this day more than all the rest,
your love and friendship must
stand the test.

We've had so many happy years
You wouldn't want me to suffer so
when the time comes, please let me go.

I know in time you too will see.
It is kindness you do me,

“Loss of Mother”

Now that I am gone remember me with
smiles and laughter,
And if need to cry, cry with your
brother or sister

Who walks in grief beside you.
And when you need me,
put your arms around anyone and give
them what you need to give me.

There are so many who need so much. I
want to leave you something - -
something much better than words or
sounds. Look for me in the people I've

Although my tail, its last has waved,
From and pain and suffering
I've been saved.

Do not grieve that it should be you,
who has to decide this thing to do.
We've been so close, all these years
Don't let your heart hold any tears.

Cherell, Monique, and NaNae

known or helped in some special way.
Let me live in your heart as well as in
your mind. You can love me most by let-
ting your love reach out to our loved ones
by embracing them and living
in their love.

Love does not die, people do, so when all
that's left of me is love, give me away as
best you can. - *Your Sons*

"One More Day"

From Your Daughters

We wish for nothing more than just
one more day,
For we will give it all just to
hear her say.

It's funny how in life it seems
you take for granted
the important things.

To feel her close and be safe again
Safe from ourselves. Back with
our best friend.

Yes, She was the best and at others
times the only,
Our friend, you left me here and
now we are lonely.

If you could come back, if only
for one day,

We'd make sure that we'd listen to
all that you had to say.

And now that it's too late you can-
not speak anymore.

We finally realized we should have
heard you before.

And if we could do it over, we'd only
change one thing.

We'd tell you that we love you and
how much joy to us your bring.

No one will ever know quite how
we feel inside

and on that day you left, you
weren't the only one who died.

You have always been there, mom,
and loved us 'til the end.

So with all our heart and soul
we love you too our friend, our mom.

Sylvia, Jacqueline, Lisa and LaNora
