

In Loving Memory of my
Punt Annie

ASCENSION

Life is a combination of many spirits and many souls.

We're sending off a precious one today that has touched many as a whole. We lift her spirit up not in sadness nor in grief, but in great exaltation to help her climb and reach the Highest Peak!

Help me lift our sister up today higher still we mustn't weep. Celebrate her spirit's power, it's presence for it is most unique. Imagine her "City of Light" where pain is but a distant memory. Take comfort in time and in precious memories. Join me as we lift every voice and sing, our sister has Ascended to meet her heavenly King!

Recessional

“Don’t Grieve for Me”

*Don’t grieve for me, for now I’m free.
I’m following the path God laid for me.
I took his hand when I hear his call.
I turned my back and I left it all.*

*I could not stay another day,
to laugh, to love, to work or play.
Tasks left undone must stay that way.
I’ve found that peace at the close
of the day.*

*If my parting has left a void,
then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
ah yes these things I too will miss.*

*Be not burdened with times of sorrow.
I wish you the sunshine of tomorrow.
My life’s been full, I savoured much.
Good friends, good times, a loving
sister’s touch.*
