Footprints

One night I dreamed a dream.

I was walking along the beach with my Lord. Across the dark sky flashed scenes from my life. For each scene, I noticed two sets of footprints in the sand, one belonging to me and one to my Lord.

When the last scene of my life shot before me I looked back at the footprints in the sand. There was only one set of footprints. I realized that this was at the lowest and saddest times of my life. This always bothered me and I questioned the Lord about my dilemma.

"Lord, You told me when I decided to follow You, You would walk and talk with me all the way. But I'm aware that during the most troublesome times of my life there is only one set of footprints. I just don't understand why, when I need You most, You leave me."

He whispered, "My precious child, I love you and will never leave you, never, ever, during your trials and testings. When you saw only one set of footprints, It was then that I carried you."

MEMORIES

Tomorrow Starts Without Me

*If tomorrow starts without me, and I'm not there to see,
If the sun should rise and find your eyes all filled with tears for me;*

*I wish so much you wouldn't cry the way you did today,
While thinking of the many things, We didn't get to say.*

*I know how much you love me, As much as I love you,
And each time that you think of me, I know you'll miss me too;*

*But when tomorrow starts without me, Please try to understand,
That an angel came and called my name, And took me by the hand,*

*And said my place was ready, In heaven far above,
And that I'd have to leave behind all those I dearly love.*
