

I Will Always Love You  
**Mama**

Goodbye  
**Grandmother**

Now that you are gone, your memories will be carried on.

Your love for us was so strong. Now it's time for us to do right not wrong.

Yes, we have sorrow in our hearts, that wont be gone today or tomorrow.

We didn't get a chance to say good-bye.

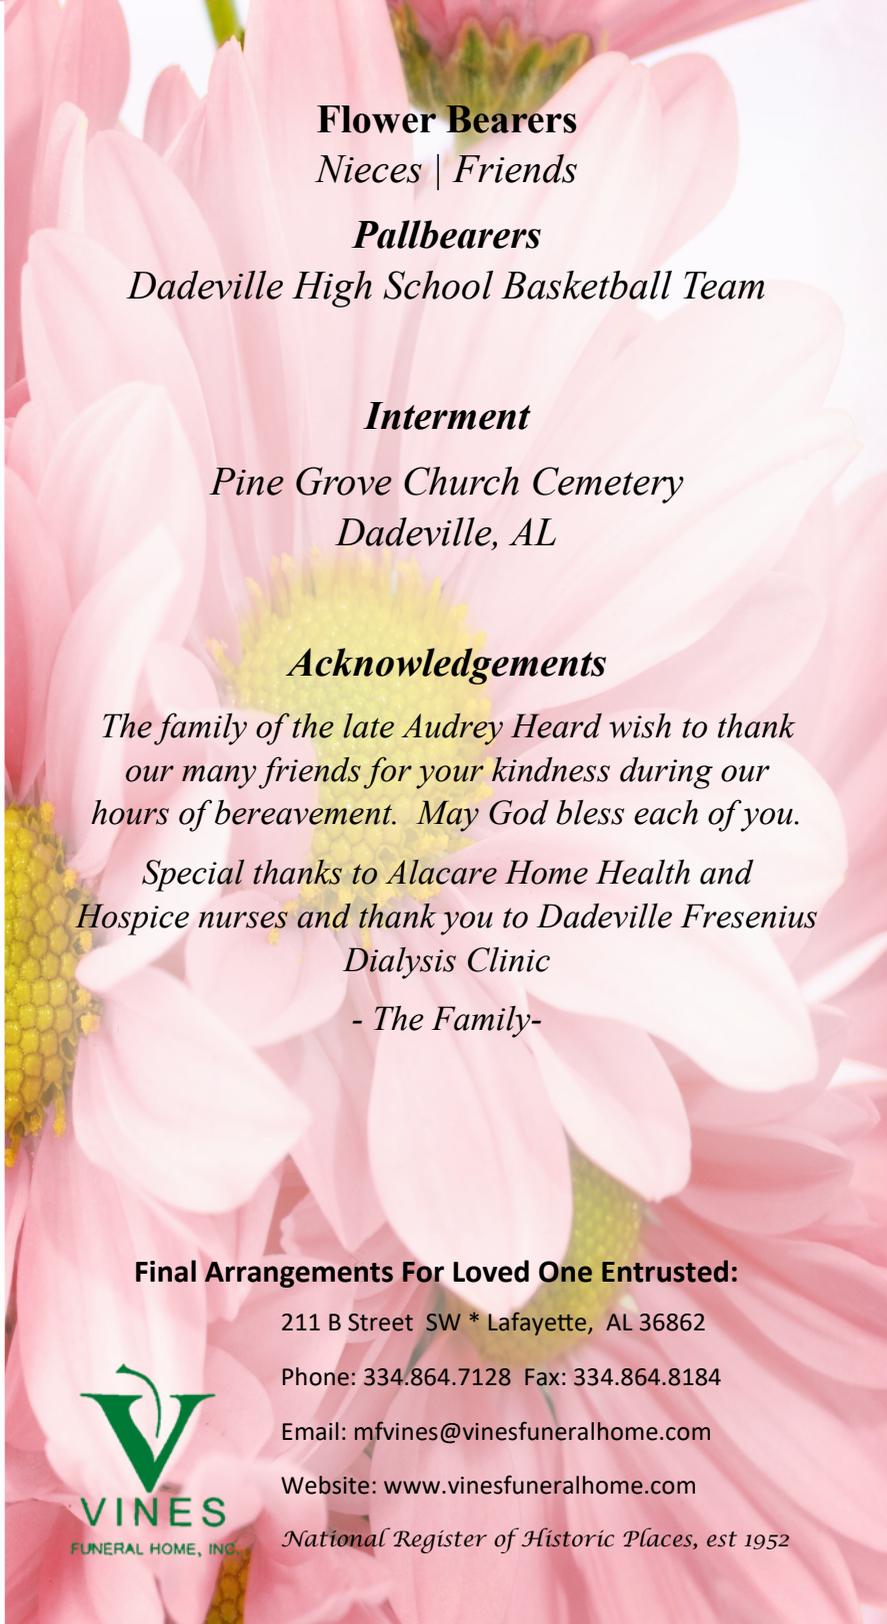

We ask ourselves why, you had to go so soon, but, we're glad to know that soon you will be completely at rest under God's silvery moon.

So rest in peace Grandmother and goodbye for now.

Soon we will be united again high in the blue skies.

We Love You!

## *Will the Sun Shine Tomorrow?*

**By Carlous D. Canady**

It rains on special days; pours on sad ones

A heart only feels sorrow  
no promise of tomorrow

The storm continues in day  
never ending in night.

Oppression a fond friend, an only friend.

Looking forward to see him;  
Joy of life never to begin;  
depression a frequent visitor.

Never missing a day  
looking forward to see her;  
never misses a raining day.

Where is the sun its rays run away.

Love, in a sinners life never meant to be  
not caring about tomorrow  
may not live today.

Thunder rising slowly;  
lightning at striking distance  
the earth overflowing

a soul never saved; a chance came but it  
went. Wonder how joy feels?  
a sinner never to know God.

Wind blowing strongly; trees pulled from the  
roots; days to months, months to eternity  
sitting in the dark asking  
will the sun shine tomorrow.
