WELCOME HOME

When I am gone, release me. Let me go cause you have many things to see.	It's only a while that we must part, so bless the memories within your heart.
Do not tie yourself to me with tears. Be happy that we had so many years.	I won't be far away and life goes on everyday. You had to know that I didn't come to stay.
I gave you all my love. You can only guess, how much you gave to me in all our happiness.	Then listen with your heart and hear; my love around you soft and clear.
I thank you for the love you've shown, now it's time I travel alone.	So live a long life remember- ing me enjoying each day being ever so free.
So grieve a while if grieve you must, then let your grief be lost in trust.	And then, when you come this way alone I'll greet you with love and a Welcome Home.
