Recessional

I'm Free

Don't grieve for me, for now I'm free,
I'm following the path God
laid for me,

I took his hand when I heard Him call:
I turned my back and left it all.
I could not stay another day.

To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found peace at the close of the day.

If my parting left a void,
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss,
oh yes these things too I will miss.

Be not burdened with
time of sorrow,

I wish for you the
sunshine of tomorrow.

My life's been full,
I've savored much.

Good, friends, good times,
a loved one's touch.

Perhaps my time seems all to brief.
Don't lengthen it now

with undue grief.

God wanted me now.

Lift up your hearts and peace to Thee.
