Dear Child in Heaven

You were a blessing to us all
you were a special child.
And we're so glad God sent you
to be with us awhile.

You filled our home with happiness
and made our life complete.
The time we had with you
was far too short, but oh so sweet.

Some things we don't find easy
to accept or understand.
Until we realize they're part of
our Creator's perfect plan.

Now it comforts us to know
you're with the angels up above.
While in our hearts we hold you close
Surrounded by our love.

Love always,
Mom & Dad

Her Journey's Just Begun

Don't think of her as gone away,
her journey's just begun.
Life holds so many facets,
this earth is only one.

Just think of her as resting,
from the sorrows and the tears,
in a place of warmth and comfort,
where there are no days or years.

Think how she must be wishing
that we could know today
how nothing but our sadness
can really pass away.

And think of her as living
in the hearts of those she touched,
for nothing loved is ever lost
and she was loved so much.

Love Your Sister,
Kellie
