“When Tomorrow Starts Without Me”

When tomorrow starts without me and
I'm not there to see your eyes full of
tears showing your love for me.
I wish you wouldn't cry so much the
way you did that day thinking of the
things we didn't get to say.

I know how much you loved me as
much as I loved you, and each time you
think of me, I'm thinking of you too.
So, when tomorrow starts without me
please try to understand an angel came
and called my name and took
me by the hand.

It was time for me to take my place
in Heaven far above, leaving everyone
behind especially the ones I love.
As I turned and walked away a tear
fell from my eyes remembering the life
I lived and why I had to die.

I did not want to go, so when tomorrow
starts without me, don't think that we're
apart for every time you think of me,
Just look within your heart.
